Dear Parents/Carers

### **NEU Strike Action Postponed**

As you are probably aware from media coverage, following talks with the Welsh Government, the NEU strike action which was planned for Tuesday 14 February 2023 has been postponed. The school will therefore be fully open next Tuesday and all pupils should attend as usual.

No information has been given in relation to the other planned days in March, but I will write to you again if and when this becomes available.

Yours sincerely

DIANE GILL  
Headteacher
